

In Home Nursing Private Fee Schedule

Our qualified and compassionate nurses offer acute and chronic nursing care, as well as ongoing monitoring and support including:

- Post-acute & hospital in the home care
- Managing complex acute and chronic wounds
- Medication management and supervision
- Administering intravenous medication
- Assistance with daily living requirements including showering, application of compression stockings, medication prompting and general wellbeing checks
- Continance management and catheter care
- Diabetes management
- Infusion therapy
- Comprehensive, holistic and clinical nursing assessments
- Recommendations and care plans for safe ongoing support or for the prevention of failing health.
