age of aged care

Benetas St Paul's Terrace

Aged Care Apartments

benetas

Frankston

From an elevated Frankston South location, Benetas St Paul's Terrace residents can be inspired by sweeping Port Phillip Bay and city views from open-air terraces. We offer a fresh approach to aged care where smaller groups of eight residents live in their own premium apartment style accommodation. This innovative approach to aged care means residents can make more personal choices and form closer relationships in familiar surroundings that feel closer to home.

Residents' accommodation

Our 10 beautiful apartments each contain eight private suites, providing the latest in contemporary accommodation for up to 80 residents.

Every resident's room has a personal ensuite bathroom with automated entry lighting, a view of gardens, courtyards or a bay panorama.

There is also space for residents to bring some of their own furniture and treasured keepsakes.

Connection services for a TV and phone are also available to residents.

Dedicated support

Our staff are focused on supporting residents, guided by our values of respect, responsibility, community and spirit.

Benetas St Paul's Terrace staff are highly qualified and experienced. Clinical support from an in-house Registered Nurse (RN) is available at any time, day or night.

With dedicated primary carers for each smaller resident group, caring is much more personal and engaging, allowing more self-determination and choice for residents.

This brings a greater degree of consistency into residents' lives.

Closer to home

Apartment-style accommodation enables each group of only eight residents access to their own first-class amenities including a relaxing lounge, bright open-air courtyards and terraces, an accessible kitchen with pantry, and a family-style dining room.

Residents' rooms are only a short distance from their social areas, doing away with long corridors and the remote accommodation areas of traditional nursing homes.

Be yourself

Providing an intimate home-like environment, our aged care apartments are specifically designed for smaller groups of residents. We understand everyone is different. Our exciting new way of providing aged care allows our residents more individual freedom to choose how they live each day.

Our residents have the opportunity to participate in regular bus excursions, visiting musicians, movie screenings, exercise classes and regular 'happy hour' social evenings. We also celebrate various cultural and special events throughout the year. Visitors are, of course, welcome to join in special celebrations and events at Benetas St Paul's Terrace.

Freedom of choice

With smaller groups of residents, there is far more flexibility to make choices about meals prepared by our expert cooks, and preferred times for meal service.

Each group has an accessible kitchen, including a pantry, where there are provisions for residents to make snacks for themselves, with each other or with visitors.

A private dining room is available for celebrations and more intimate family gatherings.

Benetas St Paul's Terrace

- ✓ Activities and outings
- ✓ Community interaction

Pastoral care

Benetas staff and volunteers offer pastoral empathy in their roles by listening to, and being there for, residents. Our specialist team of non-denominational Pastoral Care Practitioners provide individualised, ongoing spiritual and emotional support. In addition, through our Lifestyle Program, residents' chosen faiths are supported with church and chaplaincy services through our worship and reflection spaces.

Costs and fees

Benetas is dedicated to ensuring value and quality aged care services. While the government subsidises a range of aged care services, residents may be required to make a contribution to the costs of their care. Our qualified Aged Care Advice staff will discuss your particular circumstances to determine the fees and costs you will need to pay.

As a not-for-profit, Benetas is committed to providing accommodation to ensure Victorians have access to the services they need.

For pricing information, please refer to the Benetas Pricing flyer, visit our website or call **1300 23 63 82**.

Benetas St Paul's Terrace offers premium aged care apartment-style living, with open-air terraces, and sweeping bay and city views.

Visit Benetas St Paul's Terrace

We welcome and encourage visitors to come and join in residents' activities.

We also have spaces available for family and community use, including a café and private dining room. Please contact us for more information on booking these areas.

Customer service and expert advice

Choosing the right aged care home can be challenging. Our qualified and professional staff are experts in aged care, so we can guide and support you through the assessment process, and all the necessary paperwork and documentation. All you need to do is contact our Aged Care Advice Line on **1300 23 63 82** and our friendly, professional staff will assist you.

About Benetas

Benetas was established in 1948 when a small group of volunteers from the Anglican Diocese of Melbourne responded to the urgent need to provide care and support to older Victorians. More than 65 years later, we now provide care to more than 4,000 clients and their families. Benetas has over 1,500 staff and 400 dedicated volunteers, delivering a full range of quality community-based services and residential homes and apartments.

To reflect its Anglican heritage and commitment to social justice, Benetas contributes a social dividend which sees any profit reinvested into growing and expanding services and initiatives, including our dedicated research and advocacy agenda, which provides broader benefits to people within our communities.
