

## Access your Benetas email externally (for users that do not have Benetas approved devices)

You are able to access your email account offsite as long as you have an internet connection.

Open an internet browser and type the following URL into the address bar(top left hand corner) and press enter:

<https://webmail.benetas.com.au>

This will take you to the webmail logon page:

### Please note:

#### Mobile Devices

It should work on most devices, if it doesn't work then you may need to download google chrome from the play store/App Store.
