Important information about RAD payments

When you enter a permanent accommodation agreement with Benetas and choose to pay a Refundable Accommodation Deposit (RAD), the Australian Government requires you to provide Benetas with your approved Income and Assets Assessment from Services Australia before you can pay the RAD to Benetas.

If you don't have this assessment when you move in, Benetas will charge you the Daily Accommodation Payment (DAP) instead. Once you provide your approved Income and Assets Assessment from Services Australia, we can arrange for your RAD to be paid to Benetas, and the DAP charges will stop.

For more information about Income and Assets Assessments, visit the Australian Government Department of Health, Disability and Ageing website.

*Using the maximum permissible interest rate (MPIR) of 7.96%, applicable to new residents signing contracts between 1 April 2026 and 30 June 2026. This represents an increase from the previous MPIR of 7.65%.
