Support at Home services fees

Your Support at Home budget can be used on an extensive range of services tailored to your care plans, goals and preferences.

Support at Home is a government-funded initiative that supports individuals aged 65 and older in maintaining their independence at home. Once approved for funding, you can engage Benetas to create a personalised care plan tailored to your needs, and to deliver your services with quarterly budget and care reviews.

You may need to contribute to the cost of your Support at Home services. Call Services Australia about your situation.

Talk to us about additional short-term services

Our aim is to assist you in staying at home as long as possible. Your Care Partner can provide a price on a comprehensive range of services identified within your unique care plan. Many of these costs can vary depending on the services, and require My Aged Care approval.

Assistive Technology and Home Modifications (AT-HM)
Funding up to \$15,000 per assessed need

AT-HM is a separate scheme to provide funding for equipment and home modifications, with three funding tiers - low, medium and high depending on assessed needs.

Tier	Funding Cap
Low	\$500
Medium	\$2,000
High	\$15,000

Restorative Care Pathway
This short-term support is designed to help participants regain strength and delay the need for ongoing services. It extends the previous 8-week program to up to 16 weeks, offering funding of up to \$6,000 per episode, with higher amounts available for those with more complex needs.

End-Of-Life Pathway
For those wishing to stay at home in their final months, this pathway provides intensive support over a 12-week period. A one-off budget of \$25,000 is available for eligible participants through the End-of-Life Pathway.

Benetas Private Fee List

There are many benefits to funding your own home care. You can access an extensive range of services tailored to your needs and preferences. You get the benefit of a Care Partner overseeing your care plan and services without the administration burden from receiving government funding. If you are eligible for government funding, but have not yet been granted Support at Home, you can pay privately for services until your classification is ready, which provides the relief you need to continue living comfortably and safely at home.

Our friendly staff can provide all or some of your services, so you have the flexibility of choosing other suppliers to meet your varying preferences. The below fees also apply if you choose to top-up your assigned Support at Home services privately. Please note fees are reviewed annually and are subject to change.

Transport

We can provide transport to and from shopping, appointments or social activities.
\$1.40 per km fee in addition to the rates below

Shopping

We can support you with grocery and other types of shopping (we can accompany you, or shop for you).

Household Tasks and Cleaning

We offer a hand around the home with household tasks such as mopping, vacuuming, cleaning surfaces, and more.

Social Community

We can accompany you and/or coordinate your social outings and out of home entertainment such as day trips, or your activity of choice.

In-Home Respite

Enjoy genuine care and companionship whilst you or your loved one takes a break.

Meal Preparation

We can prepare healthy home cooked meals to suit your dietary requirements. We also assist with eating when needed.

Personal Care

We can support you with tasks such as bathing, showering and getting in and out of bed. We also assist with general activities such as taking medication or using technology.

Benetas Fees

Please note fees are subject to change and will be communicated 30 days in advance.
