Gisborne Oaks

Residential Aged Care

At Benetas we value each and every resident, supporting their ageing journey and providing them with exceptional services. Benetas amalgamated with Macedon Ranges Health in 2018 and is committed to investing in the residential aged care service at Gisborne Oaks in the coming years.

Care and support

At Benetas our highly skilled staff are focused on providing the very best care. Not only do we support your clinical needs but we will ensure that the high standard of care received extends to pastoral care, and your entire holistic needs.

It is important to us that our residents remain as individuals and are given an environment where they can continue to be themselves.

At Gisborne Oaks, our residents are fortunate enough to have support from Macedon Ranges Health, also located on Neal Street in Gisborne. Their Allied Health practitioners are on call for residents at Gisborne Oaks if they require a physiotherapist, dietician or podiatrist.

A care coordinator is assigned to each resident and they play a vital role to ensure that residents' welfare is effectively monitored.

Lifestyle

We know how important it is for residents to maintain connections with friends and family as well as the broader local community. Our staff will support residents in whatever their interests may be and provide encouragement to continue to pursue existing hobbies or take up new ones. Each resident has the opportunity to participate in our lively activities if they choose.

Hospitality

A variety of delicious and nutritious meals are prepared by fully qualified, experienced chefs, using fresh ingredients. Cultural, religious and dietary needs are catered for.

Laundry services are available to keep your home fresh, comfortable and clean.

Pastoral Care

Our team provide care with sensitivity to support your emotional and spiritual needs. We also employ a professional team of non-denominational Pastoral Care Practitioners for additional support.
