A place to call home

Eaglehawk was established in 1968 and is one of two Benetas Aged Care homes in Bendigo.

The warm, homelike feeling of Eaglehawk is what sets it apart. Community is very much at its heart, as residents are either friends already or form close friendships.

Our highly skilled staff are focused on our residents and driven by our values of respect, responsibility, community and spirit. The staff get to know each resident personally and provide genuine, tailored care in a way that makes each resident feel immediately at home.

Eaglehawk is nestled among gardens and outside terraces and boasts internal courtyards with roses and fountains, as well as a BBQ and vegetable patch.

Tailored support to live your best life

No two people have the same needs, likes and dislikes as they age. That's why our caring staff take the time to get to know you, your preferences and your family. We genuinely listen to you, and your loved ones, consulting often, and adapting our support as your needs and preferences change.

You'll always feel safe, heard and understood at Eaglehawk. Nobody knows what you like better than you, so we support you to

personalise your room, and choose the activities and clubs that suit you best.

Focused on supporting residents and guided by our values of respect, responsibility, community and spirit, our team is highly qualified and carefully selected based on their experience, qualifications and commitment to putting residents at the centre of everything they do.

People who care

We care about the people who care for you. Our rigorously selected team are expertly trained to provide round the clock care and support, with warm-hearted kindness.

The continuity of care afforded by the home-like setting, means our nurses, personal carers and staff members have the opportunity to get to know both residents and families, often forming close bonds that support your care and your personal goals.

With a Registered Nurse on duty at all times and 24/7 access to specialised nursing and allied health services, we can respond to your immediate and long-term needs with expertise you can trust.

We are passionate about providing holistic, quality care. Our Lifestyle Coordinator will assist you to participate in clubs, activities and social activities that interest you, while our non-denominational Pastoral Care team are there to support your emotional and spiritual needs.

A day at Eaglehawk

While every day at Eaglehawk is different, some regular features include...

Smaller groups of residents means more flexibility for meal choices and dining times. Delicious, nutritious main meals are prepared by our expert chefs and served to residents at their leisure.

Our Lifestyle Program, denominational visitors and volunteer companions foster an ongoing connection with our residents' chosen faith tradition and provide church and chaplaincy services.

Staying connected. Residents are welcome to go out with family members and friends as often as they choose.

Residents' rooms are only a short distance from their amenities, doing away with long corridors and the remote accommodation areas of traditional aged care homes.

Our residents love to participate in our vibrant lifestyle programs including clubs, activities and social activities.

“Eaglehawk provides a home-like feeling, with a sense of family. A great sense of community, our residents relax, interact with each other with a sense of purpose”
