

Welcome to St Paul's Terrace

“Had a tour of the home and very happy with the facilities and its design, looking for my mother in law, it is ideal and the location is also perfect so this is what we have chosen.”

A place to call home

From an elevated Frankston South location, St Paul's Terrace residents can be inspired by sweeping Port Phillip Bay and city views from open-air terraces.

We offer a fresh approach to aged care where smaller groups of eight residents live in their own premium apartment style accommodation. This innovative approach to aged care means residents can make more personal choices and form closer relationships in familiar surroundings that feel closer to home.

No two people have the same needs, likes and dislikes as they age. That's why our caring staff take the time to get to know you, your preferences and your family. We genuinely listen to you, and your loved ones, consulting often, and adapting our support as your needs and preferences change.

You'll always feel safe, heard and understood at St Paul's Terrace.
